

Hadith # 19 The reward for calling for Guidance

Abu Hurairah (May Allah be pleased with him) narrated, the Messenger of Allah (Peace be upon Him) said:

“Anyone who calls [people] to a right guidance, he will be rewarded like the reward of all those who followed him, without depriving them any thing from their reward.

And anyone who calls [people] to an error, he will get of the sin, like the sins of those who followed him without decreasing any thing of their sins.”

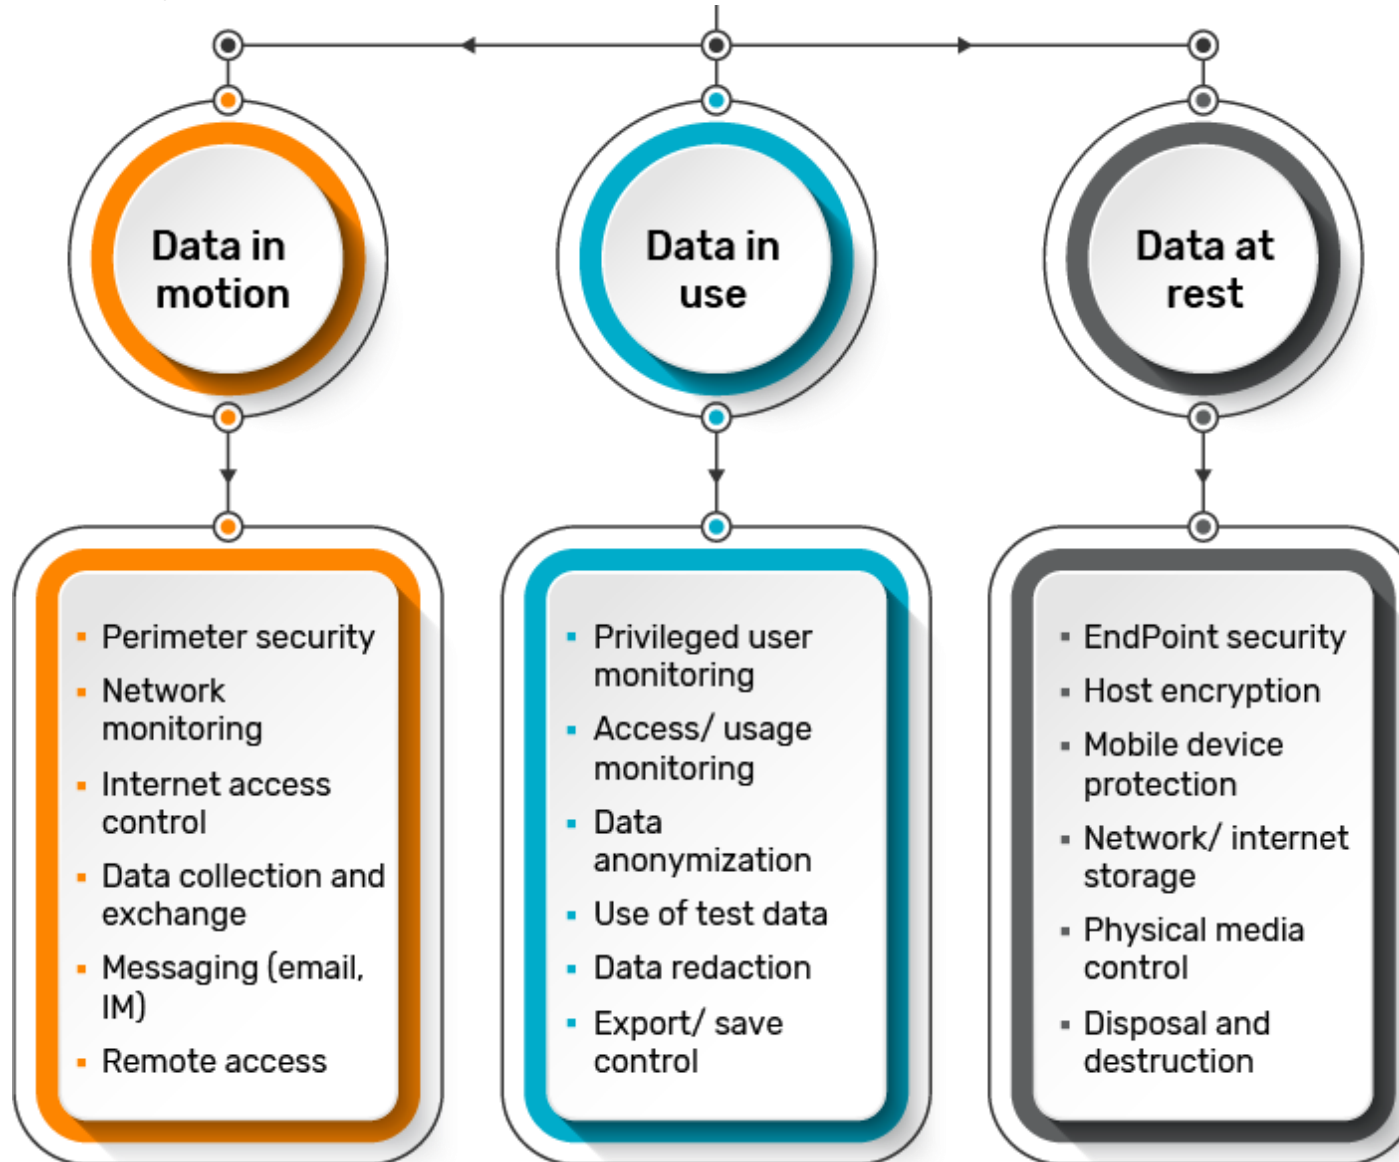

(Ibn Hibban, Sahih)
